SCORING

The Low Point System of Appendix A will apply except a boat's series score will be the total of her race scores, no score will be excluded. One race is required to be completed to constitute a regatta.

AWARDS

Awards for skipper and crew will be given to the top three placing teams and will also be given to skipper and crew for the two Mid-Finish placing teams under the following conditions.

- 1 - Skipper and crew must compete in all races held to qualify for Mid-Finish awards.
- 2 - Qualifying for the Mid-Finish awards is for the sole purpose of awarding the Mid-Finish awards. The actual scored total will be the official result of the regatta regardless of the status of each entrant's Mid-Finish qualification.
- 3 - In the case of an even number of qualifying entrants, awards will be given to the boat scoring just above the 50 percentile and to the boat placing immediately after that. Example: If 20 qualify then 10 & 11 will receive awards.
- 4 - In the case of an odd number of qualifying entrants, awards will be given to the boat scoring just above the 50 percentile by using the even rule of rounding numbers and to the boat placing immediately after that. Example: If 15 qualify then 8 & 9 will receive awards.
- 5 - A minimum of 5 entrants must qualify for presentation of the Mid-Finish awards.
