

Goddard Dance Club Suspends Classes and Dances Due to COVID-19

Dear Goddard Dance Club Members and Friends,

During the Thursday, March 12th, Goddard Dance Club (GDC) Executive Council Meeting, the members of the Council voted unanimously to suspend all GDC classes and dances following yesterday's scheduled St. Patrick's class and dance. This difficult decision was made based on the advice of medical authorities to practice social distancing as well as the Stage 1 recommendation from NASA Headquarters and Goddard Space Flight Center (GSFC) on Thursday to avoid gatherings of more than 20 people.

We learned yesterday afternoon that all group activities were cancelled by GSFC Security, effective immediately, including the class and dance last evening. Our apologies for any inconvenience caused by the last-minute cancellation.

The welfare of GDC members and guests is always our primary concern. The Executive Council will continue monitoring the GSFC center status and recommendations of medical authorities. We will send you periodic updates as the situation develops. Our hope is that the extraordinary efforts being made to implement social distancing will soon lead to the much-anticipated day when we can all return to the dance floor.

Until then, all classes and dances are suspended.
Kate
