

NEWSLETTER GEWA

NASA/Goddard Space Flight Center

Greenbelt, Maryland

VOL. 2 NO. 8

June 8, 1981

DID YOU KNOW?

GEWA paid \$9,797.08 to the Blind Industries and Services of Maryland required by the HEW regulations relating to the Randolph-Sheppard Act Amendments of 1974. The vending services in several Goddard buildings are by federal law under the Randolph-Sheppard Act and GEWA has to pay a penalty to the state because it does not have a blind concessionaire.

ITEMS OF INTEREST

CLUB NEWS

GROC's NUMBER 1! Goddard won the 2 mile and 10 kilometer events of the 11th NASA Inter-Center run. The Center easily outscored the nearest competing Centers (Langley--10K, Ames--2 mile) thanks to a large turnout and some fine individual performances. Goddard was first in place points for both events thanks to a stunning performance by the women in the 29 and under age category (see results below)! Goddard was also first or second in all other scoring classifications including center participation. Congratulations to all who participated! Results of the competition will be distributed to the GROC mailing list, but special recognition to the women and the other top performers is paid here.

Let's celebrate our victory at Armand's (College Park) on Friday, June 12 at 12:00 noon for some pizza and beer. Call Gincy (X6666) for directions and to make a reservation. Its okay not to run on this day. You don't even have to run to come. Hey, maybe you'd just like to catch your favorite runner sitting down with his/her clothes on! What a chance!
