Snap and Share Sessions!

So far we've been having a great turnout to the snap and share sessions initiated by club member **Fran Stetina**. Last month's session focused on Vacation Photography. If you haven't already, visit the club's Flickr page to check out the submissions. This is a great way to get some feedback on your images and gather some creative inspiration. As if that is not enough of an incentive, member-selected photos from the Snap and Shares will be mounted in our upcoming rotating exhibit in the Building 1 cafeteria.

Please note that these meetings will be in addition to the regular club meetings.

Next Session:

September 26th

Hope to see you there!
