Regular Events

Club Meeting

Wednesday, August 13th
12-1 pm, B28 Rm. S121

Topic: **Extreme Shutter Speeds**

Tyler Evans

Using extremely fast and extremely slow shutter speeds to freeze motion or show motion.

Featured Photographer: *TBD*

September "meeting" is the Photo Club's Annual Picnic! Food, fun, friends, and door prizes! Contact [Quynh Pham](#) to help out!

Snap & Share

Wednesday, August 27th
12-1 pm, B28 Rm. S121

- August theme:
"Action, motion, stop-action, time-lapse"
Through the use of extreme shutter speeds, show us cool images from your long-exposure blurred traffic to your stop-motion water droplets!
Add up to **5 photos** to the club Flickr set for this Snap & Share
- September theme: **Leading Lines**
When leading lines connect the foreground to the background of a scene, they help to create depth and dimensionality which draws the viewer into the image.

In other news...

Building 1 Café Exhibit
