MOUNT SNOW, VERMONT

February 21 – February 26, 2010

\$460/person* (Adult, double occupancy)

Once again, by popular demand, the GSC will be returning to Mount Snow, Vermont for a full week of great skiing. Our previous trips have been so successful and enjoyable that we can't resist another visit.

The new owners of Mount Snow Resort have been spending millions of dollars on improvements to the ski area, and this season will be no different. They will be adding more "snow fans" to ensure that they will provide great snow all season long. Besides daytime skiing and snowboarding, Mount Snow offers a tubing park, night sledding, and cross country skiing.

We will again be staying at the charming Mountaineer Inn, a traditional Vermont ski lodge, at the base of the slopes (take the free "Moover" shuttle to the slopes and ski back). Full country-style breakfasts and four-course candlelight dinners are all included. All rooms have private baths. The Inn has spacious sunny lounges, a fireside bar, saunas, game rooms with pool and ping pong tables, and an outdoor hot tub.
